Thank you for visiting our website and remembering the brave men we lost on June 2, 1965.

The record(s) you clicked on maybe sensitive in nature. Please email me directly at: larrychristian1@yahoo.com to request a copy for your review.

I will gladly provide access to official agencies that need to verify record requests, people seeking information for the historical records, or people who directly knew David Christian or the men from VAW-113 that we also lost their lives attempting his rescue.

To all U.S. veteran's, I would like to express my gratitude for your honored service.
